DEFENSIVE FIREARM
Group TRAINING

INTRODUCTION TO DEFENSIVE HANDGUN

Instructor: Steve Camp

This introductory course will cover basic administrative and tactical gun handling skills. Included will be defensive gun handling procedures & skills; range etiquette; holstering and presentation of the handgun; dry-fire and live-fire practice & drills; loading & unloading; single and multiple target engagement drills (cardboard and reactive steel).

8 Hour Full-day Course

\$150.00 + \$25.00 range fee per student (\$100.00 deposit required)

Private outdoor facility – Elgin, IL area

April 8, 2017

Single-day Course Overview (8 Hours)

- Review and abide by the Four (4) Gun Safety Rules and range etiquette
- Work towards developing a solid foundation employing proven psychomotor defensive gun-handling techniques under a variety of administrative and tactical circumstances.
- Learn to draw / present your defensive pistol safely from concealment, efficiently and rapidly
- Introduction and practice tactical reloading techniques
- Perform close- and medium-range accuracy drills under time pressure
- Practice gun malfunction clearance drills; single and multiple targets engagement drills; live-fire shooting drills, timed exercises
- Discuss personal defensive mind-set and tactics (discussions & exercises)
- Qualification: live-fire drill that requires no safety or gun-handling errors under time constraint and 100% accuracy

Steve Camp is a certified NRA and IL Concealed Carry Instructor with 30+ years' of experience.
